## Scenic City Recycling Guidelines

Thank you for subscribing to Scenic City Recycling service.

- No separation of common recyclables needed. **WE SORT EVERYTHING FOR YOU!**
- When recycling clothes, electronics, books, ink cartridges and batteries, please bag separately and place on top of or beside recycling receptacles to ensure items are recycled properly.
- To ensure collection - please have your recycling receptacles out by 7:00 am, where your trash is usually collected
- Furnished receptacles (2- 18 gallon, 45 gallon or 95 gallon) are Scenic City property and are expected to be returned if service is canceled at any time.
- If lost or damaged, replacement receptacles can be purchased from SCR as follows: Set of two 18-gallon bins for \$20.00, (or you can purchase 18-gallon "Rubbermaid Roughneck" bins at Wal-Mart) for the 45-gallon and 95-gallon additional or replacement bins are at SCR current market price.
- **PLEASE BREAK DOWN AND FLATTEN ALL CARDBOARD BOXES - BIG AND SMALL** (They will be left if not broken down)
- On occasion, if more recyclables are collected in your household than will fit in the two 18-gallon bins that are provided, you may place them in a container or bag next to ours. If your recycling volume increases you will need to request a 45 or 95-gallon bin as needed.
- Please educate entire household to increase participation and reduce contaminants.
